MESSAGE FROM THE PRESIDENT AND VICE- CHANCELLOR

Dear Graduates,

To the Class of 2025, I am filled with immense pride and joy in congratulating each and every one of you on graduating from OCAD University.

As you reflect on your time pursuing your studies, I hope you will take a moment to celebrate not only your achievements but also the friendships you developed, the challenges you overcame and the lessons you learned. I have no doubt that you will continue to leave your mark on the world in profound and meaningful ways.

So, as you embark on a new phase of your lives, I hope your journey will be filled with endless possibilities, opportunities and discoveries. I encourage you to embrace the unknown with courage, curiosity and an open heart, knowing that you are equipped with the skills, knowledge and passion to thrive in whatever path you choose to pursue.

As an alum, you join a bold and vibrant community of creative thinkers and makers who are making a difference. So, stay connected, support one another, and continue to draw inspiration from your time at OCAD University.

Congratulations once again on achieving this significant milestone in your lives. I wish you all the very best for what lies ahead.

ANA SERRANO | PRESIDENT AND VICE-CHANCELLOR

MESSAGE FROM THE CHANCELLOR

Dear Graduates,

Now more than ever, it's worth pausing to reflect on who you are as a creative.

When the world feels more uncertain than secure, you—our graduates—step forward not just as creators, but as meaning-seekers.

At OCAD University, you've learned to hold contradiction, to live with ambiguity, to ask the questions no one else thought to ask. That is not just an artistic discipline. It is a moral one.

In a moment defined by division and disarray, choosing to create deliberately, thoughtfully, and peacefully is a radical act. Art and design, at their best, do not rush to easy or perfect answers. They invite us to slow down, to sit with discomfort and imagine new possibilities.

You now carry this capacity into a world that desperately needs your courage—your unwillingness to look away, your insistence that uncertainty isn't something to fear, but something to explore.

So, as you begin your next chapter, know this: your work may not resolve every question. But if it contributes peace, honesty and clarity to the chaos—you've already made a lasting difference.

That is your superpower.

I hope you let it shine—now and always.

On behalf of the entire OCAD University community, I offer you heartfelt best wishes for your future success. Thank you for entrusting your education to us.

Congratulations!

JAIME WATT | CHANCELLOR

2025 HONORARY DEGREE RECIPIENTS

JOHN BIANCHINI

DOCTOR OF LAWS

John Bianchini is chair and CEO of Hatch, the fourth in the company's 70-year history. In 40 years of leadership, he has grown and diversified Hatch's professional services, providing innovative and practical solutions to its global clientele in the metals, energy, and infrastructure sectors. Currently, he leads 12,000 talented employees in more than 100 offices on six continents.

Bianchini and his family are avid supporters and philanthropic contributors to the arts community, supporting institutions, galleries, and individual artists in Canada and beyond. Through his personal and corporate donations, he enables galleries to feature and support emerging artists.

He has served on the Board of Governors for the Royal Ontario Museum, and the Art Canada Institute, and has been a supporter and advisor to the National Gallery of Canada, the Montreal Museum of Fine Arts, the Museum of Contemporary Art Toronto, the Toronto Biennial of Art and the McMichael Canadian Art Collection.

RAFAEL LOZANO-HEMMER

DOCTOR OF FINE ARTS

Mexican-Canadian media artist Rafael Lozano-Hemmer creates platforms for public participation by using robotic lights, digital fountains, computerized surveillance and telematic networks. Inspired by phantasmagoria, carnival and animatronics, his interactive works are "anti-monuments for people to self-represent."

He was the first artist to represent Mexico at the 2007 Venice Biennale. His large-scale participatory art installations transform public spaces, creating connective environments for communities. In 2019, he presented "Border Tuner," designed to interconnect the bordering cities of El Paso, Texas, and Ciudad Juárez, Chihuahua. Other works were commissioned for events such as the Millennium Celebrations in Mexico City (1999), the UN World Summit in Lyon (2003), the Winter Olympics in Vancouver (2010), and the pre-opening of the Guggenheim Museum Abu Dhabi (2015), among others.

His works are in collections around the world such as Museum of Modern Art, Guggenheim, Tate, Museo Reina Sofía and Hirshhorn Museum. Recent exhibitions include "Unstable Presence," a mid-career retrospective co-produced by the MAC Montréal and SFMOMA; "Common Measures," his first solo exhibition at the PACE Gallery and "Translation Island," a 2-km parcours in Abu Dhabi.
