

CALL FOR SUBMISSIONS

The Peer Wellness Educators are a diverse team of students who are installing a series of portraits that celebrate living queer icons.

- All submissions must feature a living queer icon.
- Swearing and profane language is to be used responsibly and purposefully. No slurs will be tolerated.
- Ideas and work should not perpetuate existing assumptions, generalizations, stereotypes & stigma.
- Submissions must celebrate individuals living with disabilities, diversity, gender identity, and the overarching aim of the project.
- Please avoid romanticizing substance use and illness.
- Once submitted, artists are consenting to their work being photographed, shared, reproduced, and printed.

Please submit portraits to HWC by email under the subject header “Submission Pride” to Alex McLaren at amclaren@ocadu.ca by June 23rd.
